Figuring out your referencing system? Need to know more about Copyright?
Check out the My GradSkills On-line Calendar for free workshops in April on the above topics and more. More spring/summer workshops will be added to the calendar soon!

Questions about Formatting your Thesis? Visit the Learning Commons Workshops. FGS does not provide any consulting services for Microsoft Word and LaTeX Thesis. However, the UCalgary Library Learning Commons does offer FREE training for formatting a thesis in Microsoft Word. [Register now!]

Preparing to Defend Your Thesis: Managing Your Anxiety
April 17, 2014 | 4:15 – 5:45 pm | MSC 370
Preparing to defend your thesis can be a significant anxiety provoking experience. In this workshop, you will increase your understanding of your anxious response and learn how to change these reactions. Strategies to reduce and manage anxiety during your defense will be demonstrated with time to practice these skills. This is a popular workshop, so make sure to **register early**!

Planning to Submit Your Thesis to ProQuest?
Effective April 1, 2014, a [new form](#) is required for ProQuest submission.
