Keep Up to Date
Want to know what is happening in the world of graduate studies at the University of Calgary? Check out our homepage for news about programs, students, and faculty. Follow us on Twitter or Like us on Facebook to hear about interesting and exciting events and get reminders of important things like fee payment deadline.

Graduate Award Competition Workshop
6 December 2013. 11:30am-1:00pm. Science A 147.
Attend this workshop to hear from graduate scholarship officers and scholarship winning graduate students to learn more about how to apply for different scholarships awarded through the Graduate Award Competition, how to complete the combined application form, and how to develop a successful application.

Managing Your References with Refworks
8 December 2013. 12:00-2:15pm. TFDL 466A.
RefWorks is a web-based citation management tool that is freely available to all graduate students. Attend this workshop to learn how to: create an account, import documents from the library resources (databases and catalogue), create and manage folders, create and format bibliographies, use Write-N-Cite to add citations while doing assignments.

Labyrinth: A place to de-stress, meditate and study
Monday – Friday, December 9 – 13. 11:00am – 4:00pm daily. KNA 163.
Stop by the Dance Studio in KNA to relax, refresh, meditate and de-stress. There will be a Labyrinth available for walking meditation, mats for resting and lamps for studying. Everyone is welcome!

Visualization Studio Demonstration
December 12-13 & December 16-18. 11:30am – 1pm. TFDL 466b.
The Visualization Studio, a space dedicated for research, features a 34.5 million pixel display wall, a 55” multi-touch display table, and 7.1 surround sound. The studio has been designed to provide researchers with significant visual real estate for working with digital information. More information. Contact John Brosz to arrange a demonstration at an alternative time.

Exam Jam
December 9-11. All day. MLB 2nd Floor.
An opportunity to brush up on your study skills, de-stress with helpful seminars and get individual academic support. There will also be study halls, healthy snacks, and mental health resources. More information and a schedule of events.
