Scholarships
Graduate Award Competition (GAC): Update
Award offers have been sent to all successful Izaak Walton Killam, Alberta Innovates – Technology Futures (AITF) and Open Doctoral Scholarship applicants. Offers for Special awards and Bursaries will be sent to successful students by the end of June.

Are you a Vanier Scholar?
The Vanier Canada Graduate Scholarships (Vanier CGS) program is designed to attract and retain world-class doctoral students by offering them a significant financial award to assist them during their studies at Canadian universities. Vanier scholars are international and Canadian doctoral students who demonstrate:

- academic excellence – first class average or equivalent
- research potential
- leadership

Eligible students should forward a Preliminary Assessment Form (PAF) directly to FGS Awards.

Deadline: Ongoing

Spring Fees
- All graduate students are registered for 12 months and general fees are assessed in the Fall, Winter and Spring terms of the 12 month registration year regardless of whether you are taking a course in that term or not. FGS switched to a term by term General Fee assessment two years ago, (rather than charging the full amount in the first registration term) to allow students to pay most of their general fees on a ‘pay as you go’ basis, (with the exception of the Graduate Students’ Association fee and Graduate Student Health and Dental plans, which are administered through the GSA office).
- Students in a Masters thesis or Doctoral program will also be assessed a program fee in the Spring and Summer term. See our website for more details on fees
- If you are registered full-time, your assessment will include a charge for the Grad UPASS (Transit Pass) for the Spring and Summer 2014 session, which you can pick up from the Campus Ticket Centre.
