Graduate Student Annual Progress Reports

An email was sent on May 2 to all thesis-based students registered in Winter 2013 with information on how to complete the APR.

Students registered in Winter 2013 who have since completed your degree (including submitting thesis to FGS), may request a waiver of the APR requirement; ask your GPA to email your name and ID to your GPO.

Students who have not submitted the thesis to FGS are required to submit an APR. If the thesis is submitted before the APR deadline (May 31 for most programs), an APR waiver request can be sent at that time.
