Scholarships

Prairie Water News Graduate Scholarship
This $20,000 scholarship is to support a graduate student with a study and research program contributing to collaborative approaches to managing the challenges associated with rural water sources, water supplies, water quality and human health, or protection of water. **Deadline: October 31, 2012**

Canada-Haiti Academic Projects
Foreign Affairs and International Trade Canada is seeking applications for Canada-Haiti Academic Projects. The objective of this program is to support joint academic projects between Canadian and Haitian institutions aimed at increasing the capacity of Haiti’s academic institutions and to strengthening human capital and skill set development in an effort to promote prosperity in the country. **Deadline: November 13, 2012** Results will be announced in late December 2012.

2013 SSHRC Competition – Q&A
SSHRC will offer a drop-in online Question and Answer session for those who intend to apply for a Master’s, Doctoral, or Postdoctoral Scholarship or Fellowship
**Sept. 21, 2012 (1p.m. EST)**
Technical support will be available at [fellowships@sshrc-crsh.gc.ca](mailto:fellowships@sshrc-crsh.gc.ca) or 613-943-7777
Because the number of “seats” available for this session is limited, you may be told that the room is full. In this case, we ask that you wait a few moments before attempting to connect again.

UPass – Distance Ed Students
Full-time registered Distance Ed Graduate Students are eligible for a University of Calgary transit pass. You must opt into the plan by sending an email to your graduate program before the fee payment deadline of your annual registration session. Opt in is for the entire registration year and a fee will be assessed to your account each major term (September, January and May). UPass provision is via a contract with the City and requests for term by term opt in cannot be considered.
